

Creative Writing Prompts

The Cloud That Didn't Want to Float

One day, a little cloud decided it was tired of floating in the sky. What did it do instead?

The Great Sock Rebellion

All the socks in the laundry basket came to life and decided they were done being worn. What's their plan?

I Adopted a Dinosaur

You just adopted a baby dinosaur from the pet store. What kind is it? What does it eat? What kind of trouble does it cause?

Creative Writing Prompts

Grandma's Secret Spellbook

You find a dusty book in your grandma's attic. When you open it, a tiny wizard pops out and asks for help. What does the wizard need? How do you help him?

Tiny Elephant, Big Adventure

A tiny elephant fits in your backpack. Today, you take it on an adventure. Where do you go and what surprising thing happens?

Candy Planet Discovery

You land on a new planet made entirely of candy—but it's not as sweet as it seems. What secrets does it hold?

Creative Writing Prompts

Alien School Bus

You hop on your school bus, but today it's driven by an alien! Where are you going, and what do alien schools teach?

The Pizza That Grew a Brain

A slice of pizza suddenly becomes alive and very, very smart. What does it do? Does it have any cheesy ideas?

The Sunglasses That Tell Jokes

You find a pair of sunglasses that whisper jokes in your ear. But one day, they start telling mysteries instead. What are they trying to say?

Creative Writing Prompts

Letters from My Invisible Friend

You keep getting letters from an invisible friend. What do they say? What happens when you meet with them in person?

The Time-Traveling Library:

You discover a hidden library where every book lets you travel to a time and place you read about. You open a book that takes you somewhere unexpected. Write about your adventure. Who did you see? What kinds of things did you get to do?

The Color That Disappeared:

One morning, you wake up and notice that one color—like red or blue—has disappeared from the whole world! What happens next? How do you bring the color back?
